

SCHEDULE OF SACRED FEES AND REMEDIES

(Individual Member or Trust Version)
Effective Upon Notice and/or Default
All Fees Are Due in Lawful Silver Equivalent

1. Declaration of Purpose and Member Assertion

I, the undersigned Member, Trustee, or Minister acting under the lawful authority and spiritual stewardship of the God and Nation Foundation (GNF), do hereby adopt and affirm this Schedule of Sacred Fees and Remedies as an individual assertion of private, ecclesiastical, and contractual protections.

This instrument reflects my lawful standing, divine endowment, and spiritual duty to preserve the sanctity of my body, estate, trust, family, and conscience from coercion, trespass, or harm. It is executed under ecclesiastical jurisdiction, in full alignment with the Constitution of the God and Nation Foundation and the First Amendment to the United States Constitution.

This Schedule shall serve as lawful notice to any actor, official, institution, contractor, medical personnel, government agency, corporate entity, or private individual that all unauthorized actions against myself, my household, my trust, my children, or my ministry are subject to enforceable remedy, liquidated damages, and equitable jurisdiction as outlined herein.

2. Schedule Structure and Scope of Authority

This Schedule is applicable to and enforceable by:

This Schedule shall not be construed as:

- Consent to adhesion contracts, compelled obligations, or presumed authority.

References to public law are for notice and evidence—not submission.

5. Combined Territorial & Municipal Violations

The following violations are recognized as serious breaches of public trust, ecclesiastical contract, and sacred rights under the jurisdictional authority of GNF, and shall incur sacred fees as liquidated damages for each verifiable occurrence. These fees are enforceable through internal ecclesiastical tribunals and private arbitration under GNF doctrine and law of contract and equity, as well as through public legal forums, including civil courts, common law courts, and courts of equity, where jurisdictional sufficiency is met.

A 15-day written notice and cure period may be offered at GNF's discretion before the invocation of these damages, unless the violation involves egregious harm, denial of remedy, or immediate danger to life, liberty, or sacred contract.

6. Private Easements & Identification Protections

All Values Represent Liquidated Damages for Actual Harm and Ecclesiastical Trespass

6.1 Legal and Jurisdictional Statement

This section is issued as an operative amendment within the governing ecclesiastical law of GNF, ratified by lawful assembly and acting Council under authority of its spiritual mandate and constitutional freedoms.

No officer, agency, private contractor, or party acting under any corporate charter—municipal, state, or federal—may compel, extract, store, photograph, fingerprint, sample, tag, code, scan, or otherwise interfere with the bodily estate, bloodline integrity, or sacred biometric identity of any GNF member, minister, heir, child, or protected party without first obtaining knowing, voluntary, and ecclesiastically reviewed consent.

All such actions, when conducted under color of law or coercion, constitute a breach of sacred covenant and a trespass upon the private bodily domain. These acts violate the conscience, autonomy, and spiritual dignity of the living man or woman. Said conduct may also constitute unlawful search, seizure, bodily harm, or religious discrimination under applicable public protections.

This schedule stands as a lawful and public notice of the minimum remedy due upon any such action.

6.2 Foundation Authority & Reference

"The right of the people to be secure in their persons... against unreasonable searches and seizures, shall not be violated..."

"Whoever, under color of any law... willfully subjects any person... to the deprivation of any rights, privileges, or immunities secured by the Constitution or laws... shall be fined... or imprisoned..."

42 U.S. Code § 1983 – Civil action for deprivation of rights:

"...shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress."

The compelled issuance of traffic citations, coerced attendance in civil courts, and unauthorized detainment—by presumption of commercial contract or statutory duty—constitute acts of trespass, harm, and forced joinder. All remedies and legal authorities cited in Section II above are hereby incorporated by reference and remain applicable without repetition.

8. Unlawful Use of Sacred Name & Private Property

All Values Represent Liquidated Damages for Actual Harm and Ecclesiastical Trespass

This section is enacted pursuant to the governing jurisdiction of GNF as a spiritual, ecclesiastical, and private member association. It stands as a formal declaration of damages due upon violations of identity, agency, property, and contractual estate as recognized under both private covenant and binding notice.

Any use, assignment, assumption, or commercial deployment of the name, estate, or identifying elements—whether of the Trust, Member, Minister, or Beneficiary—without express written authorization from GNF or the private man or woman so named, constitutes a material trespass.

Such acts include but are not limited to: unauthorized litigation, suretyship assumptions, lien filings, vehicle seizure, unauthorized recordation, or use of the Living Member's name in any variation, including Ens Legis format (i.e., all capital letters), or affiliated trust, estate, or ministry instrument.

Agency by estoppel shall apply equally to:

- (a) internal misuse or false representation within GNF, and
- (b) external assumption of power or authority over a Living Member, Beneficiary, or Estate by government agencies, financial institutions, courts, officers, or commercial entities—regardless of presumed jurisdiction.

These fees reflect the gravity of harm sustained to private estate rights, spiritual dignity, contractual autonomy, and personal peace. They may be pursued through arbitration, ecclesiastical forum, lien enforcement, or any tribunal of competent equity, as may be necessary and lawful.

Enforcement may proceed in equity, law, or private record as per previous sections.

10. Court Appearances & Documentation Use

All Values Represent Liquidated Damages for Actual Harm or Ecclesiastical Trespass

10.1 Jurisdictional Authority & Invocation Clause

This section is enforceable under the standing ecclesiastical law of GNF, applicable to all Members, Beneficiaries, Ministers, and aligned parties operating under the covering of the Foundation. These remedies are duly ratified and function as liquidated damages in equity and law, triggered by any compelled interaction with foreign tribunals, administrative forums, or courts of record that do not honor ecclesiastical standing, conscience protections, or sacred name integrity.

Remedies stated herein are enforceable whether invoked through affidavit, notice, or record within GNF's tribunal, or externally in public venues, under protections previously cited in Sections II–IV, including 42 U.S.C. §1983, 18 U.S.C. §242, and applicable common law doctrines of harm, trespass, and undue burden.

12.1 Invocation Clause

This section forms part of the full Sacred Fee Schedule and is hereby deemed lawfully ratified by the Council of Guardians under spiritual compact, ecclesiastical law, and private authority. Any violation thereof constitutes a breach of conscience, covenant, bodily sanctity, and foundational liberty. Enforcement may proceed at law, in equity, or through spiritual and private process.

13. Services Rendered to Others, Self, or in Trust Capacity

All Values Represent Liquidated Damages for Voluntary or Compelled Time, Labor, or Intellectual Work Product Rendered With or Without Contractual Compensation

Where services are rendered absent fair compensation or by demand, assumption, or coercion, these values serve as liquidated damages and are enforceable under the terms of spiritual covenant, private contract, and ecclesiastical jurisdiction.
